### Folded Towel Dispensers Now in Two Sizes

For that finishing touch, choose one of our new folded towel dispensers. They provide a sleek, yet elegant style that provides a coordinated washroom appearance. The translucent design allows your maintenance staff to see *at-a-glance* when it is time to refill, saving them time and costs. A compact size dispenser is also available when space is limited.

Designed specifically to dispense one towel at a time, the folded towel dispensers will save you time and money! If you already have an existing built-in dispenser, no problem! The 8-inch folded towels will easily fit into your dispenser with just a small adapter.
